50X1-HUM

1. The UAT (Upravlenie Auto Transport; Directorate of Auto Transport) base garage in Sofia is located in the Zaharna Fabrika (Sugar Factory) district of Sofia, between the factory and the laborers' dwellings. The garage has 60 Skoda 42-place busses, four Praga three and one-half-ton trucks for postal and parcel post transport, and two GAS-51 two and one-half-ton trucks for general hauling.
2. The passenger busses maintain regular service to villages in the Sofia district. ~~Some of these busses are Trun (WP-8081), Godech (XL-1599), Lovech (XL-1599), Botevgrad (XL-7582), Teteven (XK-1381), Bela Slatina (XF-9144), Radomir (QE-0555), and Samokov (QE-5228).~~ Some of these busses are Trun (WP-8081), Godech (XL-1599), Lovech (XL-1599), Botevgrad (XL-7582), Teteven (XK-1381), Bela Slatina (XF-9144), Radomir (QE-0555), and Samokov (QE-5228).
3. The busses are fueled at the garage from two gas tanks containing 30 tons of gasoline each. The tanks are buried in the ground near the Zaharna Fabrika railroad spur line.
4. The garage itself is built in the form of a square 50 meters long, 30 meters wide, and 6 meters high, and is used exclusively for parking the vehicles. The repair shop is located in the nearby village of Malashevtsi.
5. Another UAT station in Sofia has an unknown number of trucks used for general government trucking in the Sofia department; its garage is located near the seminary on Boucher Street, approximately 300 meters from the street car stop.
